Dear Parents & Carers,

There are exciting times ahead as our building project in the Pre-Primary and Year One classrooms is set to begin.

The build has necessitated the shifting of the PP and Year One classes to the Year Five and Six classrooms from Week Six, November 17th. The Year Fives and Sixes will work out of the Library for the remainder of the term. This is a huge undertaking for our students and staff, and I ask for your patience and understanding as we work to prepare for these moves throughout this week. As the building project is not expected to be complete until March 2015, next year’s Year Five class (our current Year Fours) will remain in the library until the project is finished. The 2015 Year Six class (our current Year Fives) will move into the current Year Seven classroom, as this will be vacant as of 2015.

There will also be changes to parking and access to the school for parents and students, which came into effect today. This may mean that parents need to park several streets away from the school and walk to drop-off and pick-up their children. The major points to note are as follows:

- No parking on Annie Street outside the school.
- Kindy entrance and Annie Street school entrance closed.
- Access to all areas of the school (including Kindy) for students and parents at drop-off and pick-up times will be through the double gates on Amherst Street.
- Parents accessing the school throughout the day (not at drop-off and pick-up times) should still come through the front office, as usual, and sign in.
- No parking or driving through the church car park for drop-offs and pick-ups due to safety concerns.
- At morning drop-off and afternoon pick-up times please keep the first three bays outside the office free for ‘Kiss and Drive’ bays. If you need to park and leave your car, please park elsewhere.
- A reminder that drop-off time in the morning is not before 8.30am.
- Please do not park outside the school on Beaufort and Avon streets due to bus parking.
- Please support your children through these changes by walking them into the school and familiarising them with the new routines.

Please see over the page for a map outlining the major changes.

Thank you for your support of the school in these changes.

Mr Christopher Smith
Principal.
November 11th, 2014.
No access to the Church car park at drop-off and pick-up times due to safety concerns.

Access to school for drop-offs and pick-ups through double gates on Amherst St.

No parking on Beaufort or Avon streets around school due to bus parking.

Please keep first three bays outside the office for ‘Kiss and Drive’ drop-offs and pick-ups in the mornings and afternoons.

Annie St parking and entrances to the school closed.
